Tawallammat Tifinagh Keyboard Layout

The four states of the Tawallammat Tifinagh Keyman keyboard for the Tagmukay font are illustrated below. The black characters show characters found in the Tagmukay font. For bi-consonant ligatures, type the "consonant joiner" between two consonants. For example, press the following keys in sequence: 

\[
\text{Shift} + \text{Shift+Right Alt}
\]

Unshifted

Shift

Right Alt

Shift+Right Alt
